EXPERIENCE

LEVEL DESIGNER

Axolot Games - Scrap Mechanic open-world sandbox survival.
Jan 2024 - Present

- **Pacing player progress** and setting the key locations and **gameplay moments** that the player will find.
- In charge of **designing levels**, areas, and points of interest that will **contain combat**, on foot and in vehicles.
- **Implementation** and creation of **gameplay ingredients**.
- As a **technical designer**, I've **balanced enemy combat behavior** and the **Raid elements** of the game.

MENTOR LEVEL/GAME DESIGN

Future games
Jan 2024

- **Mentor students who want to get into the game industry**, assisting with portfolio and design skills.

LEVEL AND WORLD DESIGNER

Xochi interactive - Shields of Deception
2023

- **Shape a world** around a **rich narrative** provided by the team.
- Create **documentation** containing metrics, **gameplay areas**, and **Points of interest**.
- Build a **quick prototype** of the world in **Unreal Engine**, using a basic asset set.

ACTOR DIRECTOR THEATRE AND FILM

Freelance multiple productions
2013 - 2021

- Gained **experience writing and directing** theatre plays alongside performance work.
- **Specialized in Shakespearean** theatre, performing in productions such as Romeo and Juliet and Titus Andronicus.
- Participated in a wide range of **productions**, from **independent** projects to **high-budget** theatre performances. On film, I worked in front and behind the camera in multiple roles.
